Activated* Application & Requirements Deadline – August 3, 2020 at 5:00 p.m.

This MAR Checklist can be found on the CVCC Webpage. Any revisions made to the MAR Checklist are updated to the webpage. Admission requirements are subject to change without notice.

Name: _________________________________________________ Student ID#: _________________

☐ 1. DO THIS FIRST: Visit Student Services with a valid photo ID to activate* the CVCC Application with END as the intended major or confirm that your records have an active status if you have been a previous student.

*Submitted applications are activated when a student brings a valid photo ID to the Student Services building and meets with an admissions staff member. No appointment is necessary to activate an Application or confirm an active program status for previous students. Students MUST have an active program status to be considered for the program. To avoid disappointment, please do not wait until the deadline day to activate an Application or start the process.

☐ 2. Submit official High School/High School Equivalency Transcript in a sealed envelope issued from the school, electronically through a 3rd party vendor to transcripts@cvcc.edu or by postal mail. Plan accordingly to ensure transcripts arrive by the deadline.

☐ 3. Submit official College Transcripts from every school attended in a sealed envelope issued from the school, electronically through a 3rd party vendor to transcripts@cvcc.edu or by postal mail. Plan accordingly to ensure transcripts arrive by the deadline. If additional coursework is completed after submission of transcripts, an official updated transcript must be submitted to CVCC to ensure all possible transfer credit is awarded.

☐ 4. Demonstrate college readiness by appropriate developmental course, college courses, SAT or ACT scores, college placement testing, Multiple Measures or RISE placement assignment.

☐ 5. Meet required college curriculum Grade Point Average (GPA) of 2.50.

☐ 6. Completed, or currently completing, BIO 168 with a grade of “C” or higher in each course prior to the summer entry term. Students who are enrolled in BIO 168 (or course equivalent for A&P 1) at another school during the summer term must provide evidence of enrollment in the course by submitting an unofficial transcript showing the course IN PROGRESS (IP) or a copy of the summer academic registration statement or summer class schedule by the published MAR Deadline date.

☐ 7. Submit the completed MAR Checklist and any other documentation before the deadline. From the applicant’s CVCC email account, email a scanned copy or cell phone photo of the completed MAR Checklist to healthcare@cvcc.edu by 5:00pm on the deadline day. The MAR Checklist must be entirely readable. Checklists are not accepted after the published deadline; applicants should make note of the deadline date & time published in the packet and on the MAR Checklist.
