

MyCVCC Portal Tutorial (Student)

All information related to CVCC will now be available through the MyCVCC Portal. This site replaces the CVCC MyServices and consolidates student services, news and announcements under one site which is accessible via a single log in.

To log in to the MyCVCC Portal go to <https://my.cvcc.edu> or click the MyCVCC Portal icon at the top of any of CVCC's webpages (<http://www.cvcc.edu>).

Your login will be your CVCC issued email address and your current CVCC password.

My Alerts will only pop up when a student has a personal Alert Notification. An example would be your GPA dropping below what is required or a hold on your CVCC Business Account.

The screenshot shows a 'My Alerts' header in a maroon bar. Below it is a yellow alert box with a warning icon, containing the text: 'Academic Probation', '06/07/2016', and 'Please visit the Advising Center.' Below the alert box is a white box with the text: 'Your alerts will be removed by college staff after you resolve the issue.'

Campus Events will consolidate as many CVCC calendars as possible. You can post your personal calendar here as well as synchronize your Outlook calendar.

The screenshot shows a 'Campus Events' header in a maroon bar. Below it is a calendar view for August 15th, with the text 'Start of Classes Fall 2016' and 'All Day' next to the date. A 'View All Events' link is visible at the bottom of the calendar view.

All tabs to this point will be available without having to login a separate time. **The applications which do not allow a single sign-on** will be housed under the Campus Applications tab. Access to Blackboard will require you to sign in again. It is located under the Campus Applications tab.

The screenshot shows two tabs: 'Campus Applications' (highlighted in maroon) and 'Quick Links' (in a grey bar). Below the tabs is a white box containing the text 'BLACKBOARD'.

When you click the Blackboard tab, you will be sent to the Blackboard login.
