SOC-220-800 96882	Social Problems Ms. Ashley K. Brown SOC-220-800 participates in CVCC's Digital Course Materials program. This program converts physical course materials into instantly accessible digital content, reducing the cost to students. Your course materials will be instantly available through the Blackboard online course management system. You will have access to the materials for the duration of the semester. Your digital course materials are automatically charged to your student account, just like tuition and other fees. You can review your charges in your My Services Account Information. The charge for this course is \$70.00. If you decide not to take advantage of the Digital Course Materials program, you can opt out by the drop deadline of September 22, 2018 for SOC-220-800 and your account will be credited for the full amount. You will still be responsible for completing all course assignments. Class will be available online at http://cvcc. blackboard.com beginning Thursday, September 13.
