

The College shall monitor the quality and viability of all its programs and services. Each curriculum program, each continuing education program area, including Basic Skills, occupational extension, and community service, and each service area will be reviewed at least every five (5) years to determine program strengths and weaknesses and to identify areas for program improvement. The program review process shall be consistent with the requirements of the regional accrediting agency.

The College shall publish its data on all performance measures annually in its electronic catalog or on the internet.
