

I. Overview

The College attempts to provide extracurricular activities for students since the College believes that such activities contribute to the overall growth and educational development of an individual. Students are expected to exhibit high standards of responsible citizenship during all College functions whether on or off campus. The Division of Student Services encourages and helps conduct a program of student activities. The student activity program is a part of the educational experience available to all students. Admission for all student activities shall be non-discriminatory.

II. Student Government Association

- A. The Student Government Association (“SGA”) is made up of representatives from the student body. The SGA coordinates and regulates student activities and serves as the student body’s official voice. The President of the SGA is a non-voting member of the College’s Board of Trustees.
- B. The SGA’s organizational documents shall be updated and shall be on file with the College’s Coordinator of Student Activities & Events (“Coordinator”). Any revisions to the SGA’s organizational documents shall be reviewed and approved by the College President.

SGA funds are derived from a portion of student activity fees. The SGA budget will be approved by the SGA and submitted for approval by the President and Board of Trustees as early in the school year as possible. Once approved, no further approvals for expenditure of funds will be required by the SGA unless changes to the budget are adopted. All expenditures of funds must still be approved by the Director of Student Life.
