

RED HAWK READY

Start Strong with
Digital Access on
Day One

Beginning Fall 2025, Catawba Valley Community College is launching a new course materials model in partnership with Cengage to make college more affordable and accessible. Most required curriculum course materials will be included in tuition and automatically delivered through Blackboard by the first day of class; however, some specialized programs may still require additional materials, all students will benefit from this convenient, student-ready approach.

FALL '25 PROGRAMS THAT REQUIRE ADDITIONAL COURSE MATERIALS:

A.F.A, Music
All Allied Health Programs
All Science Labs (In-Person and Online)
Automotive Technology
Computer Integrated Machining
Cosmetology
Criminal Justice Technology
Electrical Systems Technology

Engineering Technology Programs
Graphic Design
Health and Fitness Science
Information Technology
Photographic Technology
Public Safety Programs
Turfgrass Management Technology
Welding Technology

Every effort has been made to ensure that the list of included course materials is as accurate and comprehensive as possible. However, it is possible that some courses may have been inadvertently omitted. Students are encouraged to verify their course material requirements by visiting the Campus Store website at <https://bookstore.cvcc.edu>.
