2026-2027 Unusual Enrollment History

The U.S. Department of Education selected your FAFSA for review due to unusual enrollment history (UEH). UEH is defined by having attended and received Federal Pell Grant or Direct Loan funds from multiple colleges/universities during the review period of: **2022-2023, 2023-2024, 2024-2025, and 2025-2026**. Before processing your federal aid request, CVCC is required to review your enrollment history and determine whether or not you are earning academic credit at all institutions in the years listed above. In the process of reviewing your enrollment history, our office will check the National Student Loan Data System (NSLDS) for a complete history of the Federal Pell grants and Direct Loans received, and the institutions they were received from.
