STEP 2: Request Required Transcripts

Transcript Deadline: February 14, 2027

- ☐ High School / High School Equivalency Transcript
- ☐ College transcripts from *all* previously attended institutions, including any college coursework taken in high school. Courses taken at CVCC do **not** require transcripts to be sent.
- ☐ Test Score Transcript: ATI TEAS Score. [ATI TEAS Official Transcript Request](#)

Important Note:

- If you recently sent your transcripts to CVCC, **do not resend them** and allow time for processing.
- If CVCC already has your transcripts on file, **you do not need to resend them.**
- Only official transcripts from a [regionally accredited institution](#) will be accepted.
- If you have completed additional coursework since your previous submission, you must submit an **updated transcript** by the transcript deadline. Ensure all final grades have been posted before requesting it.

For more information on how to request official sealed transcripts, visit: [Transcript Request](#)

Transcript Request, Delivery and Evaluation Time

Plan accordingly to ensure transcripts arrive by the transcript deadline. The following factors may affect how quickly CVCC receives transcripts and the time required for evaluation after receipt:

- Institutional business hours, holiday closures, inclement weather, staffing levels, and peak processing periods
- Postal delivery times (if mailed).

For information on transcript evaluation, visit: [Student Records](#) webpage.

Submitting Official/Sealed Transcripts

Official transcripts must be sent directly from the issuing institution using one of the following methods:

Electronic Submission

- Through a third-party vendor (ex: Parchment, ScriptSafe, National Student Clearinghouse)
- Send to: transcripts@cvcc.edu

Mail Submission

- CVCC Student Records, 2550 US Highway 70, SE, Hickory, NC 28602

 - c. Clinical facilities may refuse access to clinical experiences based upon results of a criminal background check, drug screening or immunization/vaccination status.
 - d. If any clinical facility refuses to allow a student access to a clinical experience, the student will be unable to continue in the program.
 - e. The NC Board of Nursing will review the criminal background check of each applicant applying for licensure. Applicants can be denied licensure based on this review.

2027 ADN – Traditional Option Program Petition Application

Competitive Ranking and Selection Process

Meeting the minimum requirements **does not** guarantee admission to the ADN - Traditional Option Program.

Qualified candidates who meet all eligibility requirements, complete the petition process, and submit a completed Requirements Checklist by the published deadline will be ranked based on their total competitive ranking score, using the criteria outlined on **page 14** of the ADN - Traditional Option Program Ranking Worksheet. Candidates with the highest scores will be offered admission first. Remaining seats will be filled in rank order until the class is full.

The number of candidates accepted each year may vary depending on the clinical space.

Competitive Ranking Point System

Supporting documentation is required for all points awarded.

Points are awarded as outlined on page 14 of the ADN – Traditional Option Program Ranking Worksheet for the following:

1. Required Courses

Points are awarded for completion of the required courses listed under the Minimum Requirements on **page 5** with a grade of "C" or higher.

2. Required ATI TEAS Score

ATI TEAS score is applied twice when calculating points, resulting in duplicate points being awarded. Minimum score: **63 or higher** is required.

3. Optional Points

The following are not required but may earn additional points and strengthen a candidate's ranking:

- **Additional Coursework must be completed with a grade of "C" or higher.** Points may be awarded for the completion of:

- **BIO 169:** Anatomy & Physiology I (4 credit hours)
- **BIO 275:** Microbiology (4 credit hours)
- **ENG 111:** Writing & Inquiry (3 credit hours)
- **ENG 112:** Writing/Research in the Disciplines (3 credit hours) **or** **ENG 114:** Professional Research and Reporting (3 credit hours)
- **Nursing Humanities/Fine Arts Elective (1):** ART 111, ART 114, **or** ART 115, MUS 110 **or** MUS 112, PHI 215 **or** PHI 240, **or** HUM 115 (3 credit hours)
- **PSY 150:** General Psychology (3 credit hours)
- **PSY 241:** Developmental Psych (3 credit hours)

- **Health-Related Credentials**

Candidates who hold one of the following **active** healthcare licenses or credentials listed below may be eligible for additional points. Documentation of an **active** healthcare license or credential must be **uploaded** when submitting the Requirements Checklist.

2027 ADN – Traditional Option Program Petition Application

Health-Related Credentials (continued):

- Certified Nursing Assistant
- Emergency Medical Technician
- Paramedic
- Certified Medical Assistant
- Surgical Technologist
- Registered Health Information Technician
- Certified Respiratory Therapist
- Dental Assistant
- Phlebotomist

Tie-Breaking Criteria

If two or more candidates have the same total ranking score, the following tiebreakers will be applied in the order listed below:

- 1. Highest TEAS Total Score**
- 2. Highest TEAS Science Score (if a tie remains)**
- 3. Highest TEAS Math Score (if a tie remains)**
- 4. Earliest Requirements Checklist Submission Date (if a tie remains)**

Student Responsibility & Notification of Acceptance:

Candidates are responsible for regularly monitoring their CVCC Student Account and CVCC Email account, including the Junk/Spam folder, throughout the petition process. Important information regarding missing documents, application updates, and other program communications will be sent through these channels. Failure to monitor these communications may affect application status.

Admission decisions will be sent to candidates' CVCC Email accounts up to 6 weeks from the published deadline.

Candidates who are not initially admitted may be placed on an alternate list and will be offered admission in rank order as seats become available up to the first day of class.

Candidates may apply to only one healthcare program at a time. If a candidate submits more than one healthcare program application, only the earliest submission will be reviewed and considered for eligibility. If admission is denied, the candidate may apply to another healthcare program, provided the petition deadline for that program has not passed.

2027 ADN – Traditional Option Program Petition Application

What is the class schedule/length for the ADN - Traditional Option program?

The ADN-Traditional Program begins in the fall semester and takes two years to complete. The program combines classroom instruction, laboratory practice, simulation activities, and hand-on clinical experiences. Students will be required to complete clinical rotations, which may require them to travel as much as one hour from campus. *Please note that the schedule and program structure are subject to change.*

Applicants should consider the following requirements of the CVCC Associate Degree Nursing – Traditional Option.

1. Technology Requirements: Students are required to have a laptop computer with access to reliable internet. Cell phones are not a substitute for laptops; they cannot be used to complete assignments for this program.

a. Laptop recommendations for successful completion of this program:

- Windows 10 or later with at least 4GB of RAM (6GB or more preferred) and at least 3GB Hard Drive capacity (more preferred)
- Web camera and microphone
- Installation of Microsoft Office Suite & Teams (provided by CVCC)
- Installation of the free Google Chrome, Mozilla Firefox, or newest Microsoft Edge browser (Chrome recommended)
- Reliable Internet access and printer access

b. CVCC Student E-mail

- Applicants will receive a CVCC Email address once their application to the college has been received and activated.
- Communication between applicants, students, faculty, and college personnel will be via CVCC Email. Students should monitor their e-mail frequently for important information regarding their application and admission status.

c. The CVCC nursing program utilized on-line learning resources including e-textbooks and exams.

2. Deferred Action for Childhood Arrivals (DACA) & Undocumented immigrant status:

Current North Carolina Community College System policy allows DACA and undocumented applicants to enroll at CVCC at the out of state tuition cost. However, acceptance to the college does not guarantee acceptance to a specific program.

- a. Students with DACA status are eligible to apply to any Allied Health program.
- b. Students must remain in active DACA status while enrolled.
- c. State licensing boards grant professional licensure; **students MUST inquire with the appropriate licensure board for specific licensure requirements.**
- d. Currently, all DACA students are eligible to apply and test for NCLEX® upon successful completion of a Board approved school of nursing.
- e. Undocumented students are not eligible for admission to Allied Health programs
- f. According to North Carolina and Federal laws, undocumented students are not

2027 ADN – Traditional Option Program Petition Application

eligible for North Carolina professional licensure.

*This policy is subject to change without notice based upon federal and state regulations.

- 3. Qualifications of Graduates for Examination:** Graduates of the CVCC Associate Degree Nursing Program are eligible to apply and take the National Council Licensure Examination (NCLEX-RN®) which is required to practice as a registered nurse.
- 4. Employment Opportunities in Nursing:** Opportunities in nursing are vast and include acute hospital care, specialty care, chronic health management, and community-based services. For general information related to the profession of nursing, refer to the Bureau of Labor Statistics provided by the U.S. Bureau of Labor.
- 5. Program Accreditation:** The Accreditation Commission for Education in Nursing (ACEN) accredits the CVCC Associate Degree Nursing Program. Additional information can be found at <https://www.acenursing.org/>
